

## MANUFACTURER WARRANTIES

All material purchased from Dean Bennett Supply, are subject to the warranties specified by the manufacturer of the product. A copy of a particular manufacturers warranty will be supplied at the buyer's request.

A typical warranty is against defects of workmanship and/or manufacture and does not include any labor cost which may be incurred by the owner or installer. If a product needs to be returned to the factory for warranty inspection the cost to return is at the owners/installers expense not the manufacturer or Dean Bennett Supply.

Although every effort will be made to accommodate our clients, we are restricted by the warranties of the manufacturer and will not accept liability for any defects of workmanship, manufacture or liabilities which may occur in the executing of that warranty.

When you purchase material from Dean Bennett Supply you accept this warranty policy.
